Hansar Samui Donates Supplies to Banrathpradith School from Organic Farm CSR Project

As part of its on-going CSR program, management and staff from Hansar Samui visited another school in the centre of Suratthani on 1st August to donate supplies for the children from local farming villages.

Students from Banrathpradith have 45 students respectively, range from 4-12 years old. Each student received an attractive school bag sized according to their age, containing books and a set of stationery inside.

The money to buy the supplies totaling USD1200 was raised from the sale of produce from Hansar Samui's organic garden.

The hotel will continue its CSR program in supporting education projects for less fortunate children in southern Thailand through its HOPE project. Hansar believes that children are the key to the future success of every nation.
