*90 Minutes*                      **3,500**

A medium to strong massage that is combines traditional Thai massage techniques; this oil massage uses palms and thumbs on pressure points to relieve sore and tired muscles and to improve blood circulation

### **The LUXSA**

*60 Minutes*                      **2,500**

*90 Minutes*                      **3,500**

This massage will balance your elements .The oil is applied to your skin for healing. The therapy stimulates the metabolism, relieves mental and physical fatigue, reduces stress and tension, and balances the nervous system, promoting an extraordinary sense of well-being and revitalized energy. This comprehensive massage will stimulate your senses.

### **The Power Trip**

*60 Minutes*                      **2,500**

*90 Minutes*                      **3,500**

A full body massage to stimulate blood circulation and soothe tense muscles. Using medium pressure, it combines three techniques; long firm strokes, kneading strokes and small circular strokes, to reduce stress. A choice of LUXSA Spa's four elements oils are available to pamper your body.

### **The Siam**

60 minutes	<b>1,500</b>
90 minutes	<b>1,800</b>

The world-renowned ancient Thai art of healing involves applying pressure to the body's energy meridians. This massage will release built up tension, improve blood circulation, and free your body of toxins that gather in tired or overworked muscles.

*(This massage does not use aromatic oils.)*

### **The Serenity**

30 minutes	<b>1,200</b>
------------	--------------

For many people, the neck and shoulders are common areas of soreness and tension due to many hours working at a desk or computer. This massage will ease away the pain and leave you deeply relaxed.

### **Foot Reflexology Massage**

30 minutes	<b>950</b>
60 minutes	<b>1,800</b>

This popular treatment is based on the ancient Chinese theory that your feet are miniature maps of your entire body and that specific points on the feet correspond to various organs and parts of the body. This treatment uses pressure points to systematically stimulate the nerve reflexes, thereby stimulating all body tissues to improve overall function and well-being.

### **The Herbal Healing**

80 minutes	<b>3,000</b>
105 minutes	<b>3,800</b>

Herbs are not only an essential part of Thai medicine but also an every day part of Thai life, and are used in traditional Thai healing for their energizing and balancing effects on the body. After a full body pressure-point massage, a hot herbal compress of plai, tamarind leaves, turmeric, bergamot peels, camphor, lemongrass, and black sesame seed is pressed on the body's meridians to soothe muscles and stimulate the vital organs.

### **The Healing Hot Stone Massage**

120 minutes	<b>4,200</b>
-------------	--------------

Hot Stone Massage is a style of massage therapy in which water-treated stones are placed on specific sites on your body to promote relaxation and to help open up the meridians (energy pathways). Muscles are pre-treated with the heated stones to allow the therapist to more easily perform deep tissue manipulations. Hot stones used as a massage tool open and warm the muscle tissue making it more susceptible to the therapy. This form of bodywork involves the use of heated stones applied to the body to relieve tired and sore muscles that many of us deal with on a daily basis.

## LUXSA-AYURVEDA

Additionally, the massage will stimulates skin, muscles, veins and, arteries as well as the circulatory and nervous systems. This excellent treatment will improve the skin, strengthen the lungs, intestines and bones as well as regulate the digestive system.

## **The Shirodahra**

75 Minutes

**3,500**

Shirodhara is a powerful treatment for relieving mental stress and nervous tension. Shirodhara works primarily on the mental layer or "manomaya kosha" as it is known in Ayurveda. It is at this level that the mind holds on to past impressions that create imbalanced desires and habitual patterns of behavior. It is believed that these impressions are held captive in the limbic system of the emotional cortex of the brain. Shirodhara has been used to treat a variety of conditions including: migraines/headaches, eye diseases, sinusitis, allergic rhinitis, graying of hair, neurological disorders, memory loss, insomnia, hearing impairment, tinnitus, depression, anxiety, vertigo and Ménière's disease.

## **The Chakra Healing**

*120 Minutes*

**4,200**

Especially created for your well-being, this treatment combined the magical combination of ancient healing procedures and contemporary massage techniques to reach a deep level of relaxation. Based on Ayurvedic holistic traditions, this treatment is coupled with the use of the Shirodara discipline for inner harmony and balance.
