Hansar Samui supports yellow plants for the King's birthday

As part of its on-going CSR program, Hansar Samui joined with Koh Samui Municipality at Lad Koh View Point in Lamai Beach and gave Marigold plants to the community to support the project of **“Yellow plant all over the island”** in honour of His Majesty the King's 88th birthday.

This project, continuing since October, 2015, is not only to celebrate the King's birthday but also to invite everyone to be environmentally conscious. As one of the green hotel in the island, Hansar Samui realizes the importance of the environment and also carries forward all the hotel's activities to be green and be eco-friendly.

Each month, Hansar Samui holds or supports a different event within the local community as part of its corporate social responsibility program.
