### **The Serenity**

30 minutes **1,200**

For many people, the neck and shoulders are common areas of soreness and tension due to many hours working at a desk or computer. This massage will ease away the pain and leave you deeply relaxed.

### **The Stimulator**

30 minutes **1,500**

60 minutes **2,400**

The Stimulator massage is excellent for digestive problems and gives an indication of how the internal organs are functioning. Based on the Chinese theory that the gut is referred to as the second brain, this treatment releases stored tension and works on an emotional level. A series of treatments are most beneficial.

### **Foot Reflexology Massage**

30 minutes **950**

60 minutes **1,800**

This popular treatment is based on the ancient Chinese theory that your feet are miniature maps of your entire body and that specific points on the feet correspond to various organs and parts of the body. This treatment uses pressure points to systematically stimulate the nerve reflexes, thereby stimulating all body tissues to improve overall function and well-being.

### **Arm and Hand Massage**

30 minutes **950**

60 minutes **1,800**

In our busy world of multiple digital devices and computers, our hands, wrists, and arms can hold a lot of tension and pain. A hand massage is deeply relaxing and can relieve pain. An arm and hand massage passes the relaxing benefits onto the chest by what is known as the 'reflex action'. Massaging the hands also help reduce any pressure in the neck and head.

### **The Herbal Healing**

80 minutes **3,000**

105 minutes **3,800**

Herbs are not only an essential part of Thai medicine but also an every day part of Thai life, and are used in traditional Thai healing for their energizing and balancing effects on the body. After a full body pressure-point massage, a hot herbal compress of plai, tamarind leaves, turmeric, bergamot peels, camphor, lemongrass, and black sesame seed is pressed on the body's meridians to soothe muscles and stimulate the vital organs.

### **The Healing Hot Stone Massage**

120 minutes **4,200**

Hot Stone Massage is a style of massage therapy in which water-treated stones are placed on specific sites on your body to promote relaxation and to help open up the meridians (energy pathways). Muscles are pre-treated with the heated stones to allow the therapist to more easily perform deep tissue manipulations. Hot stones used as a massage tool open and warm the muscle tissue making it more susceptible to the therapy. This form of bodywork involves the use of heated stones applied to the body to relieve tired and sore muscles that many of us deal with on a daily basis.

## LUXURIOUS LUXSA SPA TREATMENTS FOR EXPECTANT MOTHERS

*Enjoy our range of relaxing, pampering and nurturing treatments created exclusively for expectant mothers during this very special time before baby is born*

### **Mother-to-be Massage**

60 minutes

**2,500**

A full body massage is a wonderful way to soothe tired or sore muscles during pregnancy. While you may feel a little self-conscious about your body during this time, be assured that our massage therapists are experienced in pre-natal massage. For our maternity massage treatments we use a special table designed to accommodate your baby bump and will either avoid massaging your abdomen or use a very light touch in this area, as you prefer. We will not massage your feet during pregnancy in order to avoid stimulation of pressure points. Your therapist can provide special pillows designed to position you comfortably during your treatment. It is recommended that pregnant women should limit their time on their back or right side. Massage should not be performed in the first trimester.

### **Luxurious LUXSA Facials for Expectant Mums**

60 minutes

**2,500**

Facials are a relaxing and luxurious beauty treatment for pregnant women and can further enhance your inner glow during this very special time. Hormonal changes during pregnancy can affect your skin tone, which a facial will help to rejuvenate and revitalize. Our therapists will assist you with your most comfortable position whether lying or sitting, during your treatment. A facial using natural product is recommended and chemicals peels should be avoided during pregnancy.

## **Mummy Manis and Pedis**

120 minutes

**2,200**

Manicures and pedicures are highly recommended as a relaxing treat for pregnant women. There are many basic manicures available that includes basic nails shaping and polishing. While many pedicures also include a foot massage, we forego this part of the treatment during pregnancy, as foot massage should be avoided during this time in order not to stimulate pressure points. We recommend not using nail polish during pregnancy that contain formaldehyde and toluen.

Note: All treatments are recommended from the second trimester onwards – avoid any treatments in the first trimester

## LUXSA-AYURVEDA

### The Ayurvedic Head

60 minutes

**2,400**

Based on the ancient healing system of Ayurveda, this treatment is used to massage and relieve tension from your shoulders, neck, back and scalp. Using deep thumb and finger pressure to help improve circulation and flush out emotional and physical tension

### The Abhyanga

*90 Minutes*

**3,500**

This ancient massage technique is used for relieving pain. The unique technique is still a valid and thriving art in most of regions of India. Abhyanga is used to manipulate and correct "Dosha" disorders, especially of the Vata kind, to cure orthopedic injuries: to relieve swollen tissues and to promote regeneration of the tissue and organs, as well as the internal functioning of the body. Additionally, the massage will stimulates skin, muscles, veins and, arteries as well as the circulatory and nervous systems. This excellent treatment will improve the skin, strengthen the lungs, intestines and bones as well as regulate the digestive system.

### Ayurvedic Treatment Balancing

Based on the healing system of Ayurveda, this treatment is used to massage and relieve tension from your shoulders, neck, back and scalp. Using deep thumb and finger pressure helps to improve circulation and flush out emotional and physical tension

## **The Shirodahra**

75 Minutes

**3,500**

Shirodhara is a powerful treatment for relieving mental stress and nervous tension. Shirodhara works primarily on the mental layer or "manomaya kosha" as it is known in Ayurveda. It is at this level that the mind holds on to past impressions that create imbalanced desires and habitual patterns of behavior. It is believed that these impressions are held captive in the limbic system of the emotional cortex of the brain. Shirodhara has been used to treat a variety of conditions including: migraines/headaches, eye diseases, sinusitis, allergic rhinitis, graying of hair, neurological disorders, memory loss, insomnia, hearing impairment, tinnitus, depression, anxiety, vertigo and Ménière's disease.

## **The Chakra Healing**

120 Minutes

**4,200**

Especially created for your well-being, this treatment combined the magical combination of ancient healing procedures and contemporary massage techniques to reach a deep level of relaxation. Based on Ayurvedic holistic traditions, this treatment is coupled with the use of the Shirodara discipline for inner harmony and balance.

## **The Healing Body, Mind and Soul Shirodhara**

*150 Minutes*

**5,200**

The Healing Body Mind and Soul Shirodhara Treatment is one of our signature treatments and offers two and half hours of total bliss and deep relaxation. This treatment is a combination of ancient Thai herbal remedies known as “Look Pra Kob”, and the Ayurvedic treatment of “Shirodhara”. The combination of these two treatments comes together to completely relax the body and release stress and deep muscle tensions.

Shirodhara is a powerful treatment for relieving mental stress and nervous tension. Shirodhara works primarily on the mental layer or "manomaya kosha" as it is known in Ayurveda. Shirodhara has been used to treat a variety of conditions including: migraines/headaches, eye diseases, sinusitis, allergic rhinitis, graying of hair, neurological disorders, memory loss, insomnia, hearing impairment, tinnitus, depression, anxiety, vertigo and Ménière's disease. The Tibetan bowl musical sound healing adds a further level of relaxation and enjoyment, together with the spiritual element of the soothing sound of this ancient practice.

This includes:

- Deep tissue massage with herbal ball compress
- Shirodhara Massage
- Herbal Hair Treatment
- Tibetan bowl musical sound healing
- Milky bath and steam treatment

## LUXSA - SCRUBS

Brush up the body with these detoxifying scrubs

**The Secret Signature Scrub** *45 Minutes* **1,650**

Throughout the world local cultures have sought out the healing properties of the coffee plant for its ability to heal broken skin, soothe irritations and revitalize cells. The coffee plant is also a free radical scavenger that neutralizes destructive oxidation reactions, which are the culprit of everything from acne to eczema; a gentle exfoliation improves micro cellular circulation and breaks up fatty deposits that can cause cellulite. It is also used as a UVA/UVB protector that helps screen out sun rays responsible for burning, premature aging and skin cancer.

**The Coconut Scrub** **1,650**

This delightful body scrub will not only make your skin feel great but will stimulate your senses with its rich tropical fragrance. One of the great benefits of using coconut as an exfoliate is that it is very gentle. The conditioning and deeply hydrating benefits as well as vitamin nutrients will leave your skin feeling oh so silky and smooth.

**Four Element Scrub** *45 Minutes* **1,850**
