ROMANTIC HEALING 2.5 HRS.& DINING UNDER THE STARS

Romantic Healing Package @Hansar Samui’s LUXSA Spa

2.5 Hours of Total Bliss

Situated just 10 minutes from the Island’s International airport, Hansar Samui is located on the tropical stretch of golden sands and turquoise waters of Koh Samui’s up-market Bophut Bay, which offers a front seat to island life. Hansar Samui offers 70 luxurious, beachfront, spacious accommodations with unobstructed sea views from every room, and super size private balconies and oversize daybeds for outdoor living and entertaining.

“LUXSA” comes from the Sanskrit language and translates as “Healing – health through water”. This philosophy together with the ancient Thai healing methods based on the four body elements of earth, water, air and fire, forms the basis of the concept at LUXSA Spa. LUXSA Spa offers a sanctuary for the senses, as well as a memorable and enjoyable experience.

The new Romantic Healing Package immerses guests in a sense of tranquility for two and a half blissful hours as they enjoy the following:

- * The Floral foot bath
- * The Thai Herbal Steam
- * The Romantic Floral milky bath
- * The LUXSA Signature Massage
- * Blended Herbal Tea

A healing Reiki session accompanied by the soothing mystical sounds of Tibetan Bowls

Romantic Dining Under The Stars.

Hot on the heels of winning the TripAdvisor Certificate of Excellence Award and the Thailand Tatler's Best Restaurants award for 2011, 2012 and 2014 for the popular H Bistro, Hansar Samui's newest culinary delight is the romantic flame-lit beach front dinners for two under the stars, complete with barefoot Butler service - it doesn't get any more decadent than that. Now there's a photo to make you the envy of all your facebook friends!
